A stretch of record cold broke just in time to provide reasonable weather (sunny, low 20's) for the fifth event of the winter season. Don Wilken, warming up for the marathon season (starting Feb. 25 in Seaside, Oregon!), ran at a strong 5:45 pace to win the 13 mile run by a wide margin, while Jim Shrader ran at a 5:00 pace to win the 3 mile run by an even wider margin. Bill Boyle came from way back to tie Paul Rosenberg for second in the 3.

We thank Tim Atwell for officiating this race and Harriet Thomas for directing the runners onto the bike route path.

WE NEED OFFICIALS for the 15 mile run on March 4, and would much appreciate if if any of you who are not planning to run would come out and help keep the runners on course.

If you have feelings about what kinds of runs we should have on the spring schedule please let Don Wilken or Burke Adams know about them.
