TEAM SCORE: 1. ALBANY TRACK CLUB (ATC), 18
2. CAPITAL TRACK CLUB (CTC), 50
3. STATE UNIVERSITY MATH CLUB, 58

RACE NOTES: Unfortunately, the great battle between Brian Quinn and Tom Robinson came to an indecisive conclusion. Quinn and Robinson were together with 300 yards to run. Robinson then gained a slight lead, but both runners became confused as to how the course proceeded, as spectators shouted confusing directions. As a result, the event was declared a tie, even though Quinn crossed the finish line a few yards ahead.
