A brisk and beautiful autumn afternoon brought out a fine group of runners including three of the Albany area's very best. Tom Robinson broke the course record by nearly a minute in the 3.1 mile, which also featured a fine performance by the ever-smiling Kathy Shrader. In the 6.2 mile Larry Frederick held off Jim Shrader to win in a time exactly two minutes faster than Jim's winning time in the 6.2 mile on Sept. 24 at Olana.

We thank Barry Hopkins for running another fine race.
