WHERE THE RUBBER
MEETS THE ROAD

You've waited all year for this day. You've worked hard and trained hard. If you haven't registered your team yet, now's the time to do so before the **May 6 deadline**. Entries are being capped at 10,000, so early registration is recommended. Just visit **www.cdphpwtc.com**. It's that simple.

Running for a Cause
Aside from improving your fitness and bonding with your teammates, you'll be helping some worthy charities, two to be exact. A portion of the race proceeds will benefit them, and you'll have the opportunity to make an additional donation as well.

Volunteers Needed
Not up to running or walking this year? You can still join in the fun by volunteering. Learn more at **www.cdphpwtc.com**.

We'll see you at the start line!
